Mr. Francis J. McNamara
Director, Committee on Un-American Activities
United States House of Representatives
Washington, D. C.

Dear Mr. McNamara:

I have checked with my superiors here at Radio Liberty and they would be happy to show members of your Committee those portions of Soviet TV which we monitor and which would be of special interest to them.

At this moment we do not have any definite plan to show these tapes of Soviet TV in Washington. One of our problems is that the machinery used is both complex and cumbersome and requires a special effort to transport. We are also very anxious to avoid all publicity about these tapes for fear of shutting off our supply. In the meantime, if you or any members of your Committee will be in New York or if you have a representative here we would be delighted to give you a special showing at our offices.
